

# Payment Options

Thank you for your interest in Albayan Institute's Youth Literacy Arabic language program! We strive to provide you the best opportunity to teach your children how to read, write, and speak Arabic at the minimum cost.

Below you can find the (2) options that are available to pay the tuition for your child that you want to enroll in the Youth Literacy program.

## Option 1: Pay In Full

This option is the most cost-effective option to pay your child's tuition, wherein you pay it in full. The following is the tuition cost for each child if you are enrolling one or more children:

**First child: \$550**

**Second child: \$525**

**Third child: \$500**

**Fourth child: \$500**

A \$25 registration fee is added for each child in addition to the above tuition.

## Option 2: Installment Plan

This option will enable you to pay your child's tuition over a longer period. You will be asked to complete a credit card authorization form, after which a deposit will be charged, and the remaining tuition paid off over the course of (4) months.

The following is the deposit cost for each child if you are enrolling one or more children:

**First child: \$300**

**Second child: \$275**

**Third child: \$250**

**Fourth child: \$250**

A \$25 registration fee is added for each child in addition to the above deposit.

After the deposit has been paid, a recurring charge of \$75 will be enabled for each registered child to be made once a month for the following (4) months.
